These perfect practice playing partners permit the possibility to pursue and produce pleasurable performance potential.

We have an awesome table tennis table at the Racquet Center. We have paddles and balls. Bring the kids to enjoy this addition to our facility.

### **Selkirk and Diadem Pickleball Paddles**

The shop carries 2 lines of paddles. Try them out. No strings attached.

### **Diadem Tennis Racquets**

These sticks are sweet. Demo one and see.

### **Racquet Stringing**

If your racquet does not feel quite like it used to, it is probably due for a new set of strings. They make a big difference. Think dull skis on ice.
